Dear WE22 Sponsor and/or Exhibitor,

Congratulations! We are excited to have your virtual and/or in-person attendance at one of the world’s largest events for women in engineering and technology. WE22 will bring together more than 15,000 attendees for an inspiring blend of workshops, networking events and presentations aimed at the conference theme, **A World of Opportunity Awaits**.

The **career fair** is a highlight of the conference, and thousands of women in engineering and technology will network with companies (s/b employers) such as yourself and find their next big opportunity.

We hope our enthusiasm about your presence at WE22 is contagious, and you’ll be inspired to share your virtual and/or in-person attendance with your peers. To help promote your virtual and/or in-person appearance, we are offering this **WE22 Sponsor Toolkit** containing suggested content for social media, including Twitter, Facebook, and LinkedIn. This toolkit is designed to help you make the most of your time at WE22 and share your virtual and/or in-person presence here with your employees and peers.

**See you virtually and/or in-person at WE22,**

**Thursday, October 20 - Saturday, October 22!**
Use the provided blank templates to add your own organization’s logo in the space provided as indicated in the example:
